President’s Letter
Summer 2017

Dear Friends,

Upon writing my last quarterly letter to you, I find this experience incredibly satisfying. It has been a pleasure working with our current Board of Directors, Committee Chairs, Coordinators and other Volunteers who are the backbone of this wonderful organization.

The Vice President, Lillian Cravotta-Crouch, Treasurer now Bookkeeper, Barry Park, Secretary now Treasurer Susan Reynolds have worked endless hours on behalf of DBSA-Boston, and I am grateful. The Board Members-at-Large, Bob Hanflig, Kelley Stout, Christian Tiongson, Mia Guerriero, and John C. Dorr comprise a “Dream Team. I have had the pleasure to work with these talented people, most for years now, some for only a few months, but I could not be happier as DBSA-Boston has incredibly talented, hard-working and selfless volunteers in its current leadership.

While my title and responsibilities will change to “Immediate Past President,” I look to Michele O’Shea, who was President for two years before me, stepping down as Immediate Past President to return to her love of facilitating and consulting the leadership. Michele, your dedication, energy, and organizational skills will be greatly missed. I have learned so much from you. Thank you! And to Mia, who has decided to step down as Board Director to focus on facilitating and other projects. Mia, your passion and daring to take on a board position as our youngest member in our 30-year history was truly amazing. We will miss your iridescent ideas during our brain-storming sessions.

Candidates’ Statements for the DBSA-Boston Board of Directors

Officers

President: Lillian Cravotta-Crouch
Hi, my name is Lillian Cravotta-Crouch and I have been Vice President of DBSA for 2½ years. I first stepped in to fill an open position after being a board member and Secretary. These positions helped to prepare me for being Vice President and I hope now for President.

As Vice President I became Chair of the Share Care Committee. This is where we receive requests for groups, handle complaints and oversee the wellbeing of all who come to DBSA.

The support that each and every one who sits on the board or share care committee or acts as a facilitator does to help this organization is just part of the work done here. We have many committees that also welcome our members to join to help with membership, fundraising, and activities that we run. We all have an important role as we are there for each other with so much compassion and support for each other.

I hope you will consider me for President. I know that there will be a lot of work and challenges but I know I am up to it.

Vice President: Christian Tiongson
My name is Christian Tiongson. I am happy to announce my candidacy for the Vice Presidency of DBSA-Boston. Since 2011, DBSA-Boston has provided me with the invaluable support that has helped me through the abyss of depression to become a board member, a chairperson, a facilitator, and most importantly a dedicated peer support to the community.

As a board member, I improved overall membership, created the Working & Coping support group, assisted in the creation of the harassment policy, encouraged volunteerism, and promoted the arts through the Mill St. Open Mic Session.

As prospective Vice President, my main initiative is to further promote a confidential, safe, and welcoming support environment for all. I also want to draw on my successes and share with the community my unique perspectives from my charity work and career in healthcare.

I hope you will support my candidacy as I continue to brighten the horizons of DBSA-Boston.

Secretary: Alli Bodek
Hello Everyone,

My name is Alli Bodek. I am running for Secretary of DBSA-Boston for multiple reasons. DBSA has given me more than I expected from a support group. I found a community of caring, compassionate individuals, some of whom I call my best friends. These groups consist of those able to understand, empathize, and listen to those who are in need. DBSA was crucial in my recovery, and I can easily name what I have gained.

For experience, I currently hold the position of Secretary, and am part of both the Membership and Training Committees for the organization. In addition, I serve as a facilitator for inpatient and outpatient Share Care groups. For inpatient groups, facilitators visit the short-term units at McLean Hospital and educate about community support, mainly DBSA. During this process facilitators simulate a Share Care group. For these reasons, I consider myself qualified for this position.

I hope to bring to DBSA-Boston my knowledge, compassion, patience, and experience to each board meeting, Share Care group, and to our community in general. I wish to give back to DBSA for helping me throughout my recovery. Thank you for your consideration.

Candidates’ Statements for the DBSA-Boston Board of Directors, continued

**Directors**

**Bob Hanflig**

Hi, my name is Bob H, AKA Bob Hanflig. I am running for reelection to The DBSA-Boston Board of Directors. It has been an exciting two years. The Board has had a lot of accomplishments. I am proud of my role in these accomplishments. Most importantly we have balanced the budget. I have been instrumental in filling four seats on the board as Nominations Chair – three of whom are young adults. The openings came about because of retirements and not enough people running. What I am proudest of is the new DBSA-Boston (anti) Harassment Policy something we were in real need of.

On my time on the Board I have at most only missed one meeting. You can see me around on most Wednesday nights even on those when there are no board meetings. I have climbed up the DBSA ladder, slowly and steadily. I have been a member, volunteered at the Welcome Table, am a Facilitator, and was the Daytime Coordinator for two years. I am currently a member of Share Care, and Chair of the Training Committee.

The board has come along way as has DBSA-Boston, and I am looking forward to the next two years.

I am Robert Hanflig and I am running for a seat on the DBSA-Boston Board!

**Barry Park**

When I arrived at DBSA-Boston about 5 ½ years ago I was a different person. I was very shy and could not talk to anyone. I attended the Bipolar Group most every Wednesday.

After about a year and a half a special member named Martha told me that I would make a great facilitator. I took the Foundations course and eventually became a facilitator. I would then facilitate the Bipolar Group almost every week, I became used to the members at DBSA, and became less shy.

In November of 2015 I became the DBSA webmaster. I created the new DBSA-Boston website that month and have maintained it ever since. After a short period of time I was voted onto the Board of Directors. I then became the Treasurer and the Office Operations Chair. I come to the office 3-4 days a week to maintain it and do the bookkeeping.

My time at DBSA-Boston has been a very special journey. I now ask you to consider voting me on the Board of Directors for another two years.

**Kelley Stout**

My name is Kelley Stout and I am running for reelection to the Board of Directors of DBSA-Boston. I have been on the board since July of 2016, and I have enjoyed every minute of it. The fact that I get to give back to an organization that has had such a positive effect on my life is very personally fulfilling and satisfying.

On top of being a general board member, I am also on the Activities Committee. I love to plan and throw a good party; so, this committee is perfect for me. I was a program director of a federally funded grant program for many years. My program had about 400 volunteers in at all times. I threw an average of 15-20 events for them throughout the year. Of course, being a granted program, my events budget was tiny. So, I had to fundraise for the events. I have been able to take those skills to DBSA Boston and use them so far for the Holiday Celebration and the Ice Cream Social. And you can bet I plan on using those skills for many more events in the future.

I am pleased to say that our biggest accomplishment since I have become a board member has been the balancing of the budget. We have come a long way as a board and an organization, and I know we can go so much further. I humbly ask for your vote so that I may continue to play an active role in our future accomplishments.

*Support Group Resuming

**Open Exchange**

Occurs every Wednesday

Group provides an ideal opportunity for people with mood disorders to meet and talk with people from our Friends and Families group. By sharing our different perspective and life issues, we foster awareness and empathy, and help each other understand how we cope with our respective experience. It can be very helpful for friends and family members to hear stories from unrelated people who live with depression, bipolar disorder and other mental illnesses. People with mental illness may benefit from the objectivity of friends and family who are not engaged in their daily lives. Please note that although Open Exchange is a good group for exchanging feedback and support between family, friends and people with a mood disorder, it is not a family therapy group, and family members are discouraged from attending the group at the same time.

**New Support Group

**Working and Coping**

Occurs every 2nd and 4th Wednesday of the month

Coping with the everyday stresses of a job can be challenging and at times seem impossible. You may feel defeated after a long shift or even a hour after you clocked in. You are not alone. The DBSA Work and Coping Group provides meaningful and supportive discussions with working peers (volunteer, per-diem, part-time, and full-time) who have mental illness. The purpose of the group is to support and learn from others by sharing personal experiences in coping with everyday work stresses and situations that may exacerbate mental illness. Topics include, but are not limited to, work-life balance, anxiety in high-pressured situations, and self-worth in the workplace. While work is the primary topic of discussion, the group is not a recruiting, job-hunting, or resume-review session. Work and Coping Group occurs every 3rd Wednesday of the month. It is open to anyone attending DBSA groups who is coping with work-related issues. We hope you can join us!

Members of the Share Care Committee: Lillian Cravotta-Crouch, Chair, Marina C. Dennis H., Bob Hanflig, Sylvia M., Michele O’Shea, Kate R., Roberta U., and Chuck Weinstein (ex-officio)

Thank you both for your service to this organization. And as you have both told us, you are not going anywhere, you will still be at meetings to help out and be a part of our family. I was delighted, but not surprised, to hear you both say this.

I want to reflect, to share with you, how it was working with the current Board members these past two years.

First, VP, Lillian Cravotta-Crouch. Her DBSA-Boston resume is spectacular. Lillian is the Co-Captain of the DBSA-Boston Walk Team, Madam Chair of the Share Care committee and the Activities committee. Under her leadership, we have raised more money and attracted more walkers than in any time in our history for the NAMI Walks. Also, annual events like the annual cook outs, ice cream socials, winter holiday parties have run smoothly due in great part to Lillian’s energy, efforts, and coordination. Who is seen at Costco loading up car or borrowed SUV with hundreds of pounds of food items, utensils, drinks? Lillian! By making the trip to Costco for our events and parties she saves the organization hundreds upon hundreds of dollars. Who organizes the annual winter holiday party raffle and goes out and collects prizes, gift baskets, gift certificates? Lillian!

But she does not stop there, no – She is Madam Chair of the Share Care Committee, a committee dedicated to ensuring the best that they can a safe space for us to be in every week. Chairing the Share Care committee takes many hours outside of each meeting to write emails, make telephone calls, meet folks in person. Also, when I’ve had to take a Wednesday night off, Lillian makes the announcements and oversees a smooth evening. The VP is certainly a busier position than the President, it demands countless hours of time, and Lillian so graciously gave that to our organization. Lillian was a pleasure to work with as she always had a confidence and sense of humor much needed to maintain one’s composure during difficult meetings and conversations. Thank you, Lillian!

Second, and he is not second by any count, is Barry Park, former Treasurer and current Bookkeeper, Operations Chair, Office Manager, Webmaster and Board Director. Without Barry’s attention to detail, technical prowess, and dedication my job would have been very difficult. However, Barry is in the office 3-4 times each week, staffing the phone lines and being in office for anyone who might drop by. I reminisce about the times when our own Dennis H., as well as other DBSA-Boston home-grown heroes were in the office several days a week, including but not limited to: President Emeritus Everett P., former President Mary R., former VP and Board Member John P. Working with Barry was also a joy, he took on the complete redesign and systems upgrade of our office from the rug that he himself donated, to switching from a MAC office to a PC office. Barry also reduced our paper footprint to close to zero, as he came up with the idea to scan all our old documents to alleviate the burden of keeping those papers, folders, binders in our office.

As Webmaster, Barry is second to none! He has put video clips from our 30th Anniversary Celebration as well as podcasts of all our speakers for your pleasure, enjoyment, and edification. A big coup was that Barry interviewed Everett P., President Emeritus, and we now have a living journal of our organization’s birth. Barry hopes to interview more members for their stories and insights to add to this living history journal. I never knew that one Board meeting took place in former President Bob B’s car. Who would have thought? For that story and more, check out the podcast. By the way, did you know that Barry on the morning of the NAMI Walk came to the realization that our table did not have any DBSA-Boston literature? So he drove to our office at McLean Hospital at 5 a.m. to collect these materials and then he and his daughter, driven by his wife, headed to Artesani Park to put up the DBSA-Boston tent and banners, then organize and staff the table. Thank you, Barry!

Not to leave out our former Secretary (for years) Susan Reynolds. Susan was Secretary for more years than I can remember, perhaps as many years on the Board in leadership as our dear friend and Co-Chair of the Marketing and Outreach committee Steve L. (who has the record for the most years as VP). Susan is now Treasurer because organizationally we needed a bookkeeper, and Barry volunteered to be the bookkeeper, but he could not do both jobs (even though he offered to...), Susan selflessly volunteered with esprit de corps to help here. Susan has a background in accounting and financial reporting, and serves as Treasurer for another nonprofit organization – what a perfect fit. Susan also happens to be the Editor of the Polars’ Express, and like our dear friend and former Editor, Carter W., has held this position for years and years. Not only does she edit and collect our stories, updates, Continued on page 12
activities, and schedule changes, she also has the patience of a saint as she gently emails me ever so sweetly, "Chuck, it would be nice to have your letter, when do you think you can send to me," with always ... a smiley face... to make absolutely clear that she is sending a loving reminder not an irritated nudgy one. I must say, that I have been known to be forgetful, and it's so nice to get friendly reminders. Also, who was that person at the DBSA-Boston table during the NAMI Walk only weeks ago, smiling and greeting all while bundled in a down jacket at 9:30 a.m. Sunday morning with wind chill at 42 degrees? Yep, Susan! Thank you, Susan!

I’d like to mention our own Board Director, Bob Hanflig. Bob has taken on the role of Chair of the Training committee. As a Director, Bob has earned the award for the most ideas generated in one sitting. Bob has also injected Red Bull into his job with the Training committee. Under Bob’s leadership we finally have a harassment policy, months in the making, and Bob was patient every time someone suggested a revision or an edit, he stayed the course, he did not waiver and because of that, he and his committee achieved creating a new, and much needed, policy. Also, Bob is not only Chair of the Training committee, but he (and Steve L.) created and facilitated special trainings to support our drop-in group facilitators. Bob did this a Saturday or so ago, and I rarely get phone messages, but I received a voice mail from someone who attended his drop-in and Buddy training, reveling in the usefulness and thoroughness of the training. As I texted Bob earlier today, “Kudos, Bob” on a job well done. Thank you, Bob!

Let’s talk about Kelley Stout, Board Director. Kelley has made a huge impact on our board by coming up with excellent fundraising ideas that include getting donations for our major events, so that our costs are less. Many people have great ideas, but not always are those ideas rolled out. Kelley, on her own initiative wrote an appeal letter that would go to local vendors to provide supplies, food items. And, Kelley did not just come up with this idea, but she also went out and distributed these letters to various corporations and stores. Because of her efforts our organization has saved hundreds of dollars, and she assures me that this is just the beginning. Kelley is also a huge proponent of our Young Adults group, who is the first to say (alongside Bob Hanflig) that the board should have Young Adult representation, and having Mia, Alli, and Christian has been so valuable. Also, did I mention that Kelley has also volunteered to facilitate inpatient groups at McLean when she heard that we were low on facilitators? Yep, she volunteered all right. Thank you, Kelley!

Now who could spend time talking about Christian, Board Director? I could and I shall. In the short time Christian has been on the board, and even before, a huge transformation to this organization has occurred as music, spoken personal story, and poetry have now become part of the DBSA-Boston framework. Christian hosts the “Mill Street Open Mic” sessions and came up with an idea to have a local artist become spotlighted the first Wednesday of every month with a 10-minute artist segment before announcements. Also, Christian took over the Karaoke nights (from Barry who broke the ice a couple of years ago with this neat idea) and is so determined to have good sound, that he brings his own equipment including sound board, performance quality speakers, and engineer.

And at the Board meetings, Christian is speedily catching up to Bob as being an idea generator. Christian also created the “Working and Coping Group,” a new group that has become quite popular with our membership. And it was Christian who suggested a special membership rate for students, another terrific idea. Christian is also the Chair of our Membership committee. This Membership committee has “encouraged” more folks to join or renew with their memberships this year, than the last two to three years combined. Due to the Membership Committee’s strategy of quarterly membership drives. Due to the immense amount of positive energy coming from Christian and other folks at our last board meeting, I asked Barry if he could find some seatbelt attachments to affix to our chairs during meetings. And did I mention that Christian also manages the Welcome Table and its volunteers? Another underachiever. Thanks, Christian!

Hmmm. Allie Board Director. Her willingness to jump into action (like Mia did) when Susan announced that she would like to take on the Treasurer role, after Barry announced that he would take on the Bookkeeper role was refreshing. The Board took a vote between Mia and Alli, and Alli won by just an eyelash. (Thank you, Mia, for jumping into action here!). And when Alli heard that we were light on the facilitator front for inpatient groups, yep,

President’s letter continued from page 12

Alli volunteered to do this. Alli also spent hours polishing and editing the Harassment policy. Alli is also a key member of the Membership committee and was just asked to become the Co-Chair, to facilitate the meetings and to work on the agenda. I also heard that Alli was just accepted into a Master of Social Work program at Boston College. Knock me over with a feather. Well-earned and well deserved. Thank you, Alli!

And, last but certainly not least, John-C Dorr, Board Director. John-C has quickly demonstrated his prowess with creative legal interpretation; it is an added bonus to have the mind of a lawyer on our board; it gives us all another unique perspective. It was John-C who volunteered a few years ago to facilitate inpatient groups with John P. John P. who had given countless years to this organization, needed to take time due to personal reasons, and John-C without hesitation, took those groups. John-C was asked to become the new Inpatient Group Coordinator, with his amazing talent for organization and staff recruiting (and with huge support from current inpatient facilitator, Cynthia P.) was able to recruit our members to become inpatient group facilitators. This is not an easy task, every DBSA-Boston member must also become an official McLean Hospital volunteer, this means a TB test, yards of paperwork and releases, interview and training. But, regardless of these obstacles, John-C was able to encourage new DBSA-Boston members (Kelley, Alli) as well as former veteran inpatient group facilitators (like our current Drop-in Group Coordinator, Kate, and our Speaker Bureau Coordinator, Mary J.) to take on these responsibilities. John-C also revitalized our Maintaining Stability Group. John C (with loyal, trusted and veteran facilitator Bruce) started to create a new group energy and culture where the group encouraged its members to Buddy and train to facilitate (Eric R and Bill S). This new culture of positivism within Maintaining Stability drew and draws large numbers each week. As well, he served as Nominations Chair this year. Thank you, John-C!

There are so many other people that make up the life-blood of our organization, including but not limited to: Roberta, our Facilitator Coordinator (Receiving the Everett Page Outstanding Volunteer of the Year Award for 2016-2017), Kate our Daytime Group Coordinator and Secretary of the Share Care Committee, Meach our Room Assignment Coordinator, Mary J our Speakers Bureau Coordinator as well as the folks who staff our Welcome Table (Eric, Bruce, Jim, Tina, Alan B. and Christian T.). The volunteers who staff the Welcome Table week after week, putting up the T-shirts, arranging the table with leaflets and flyers, making sure that there are enough name badges and markers, greeting newcomers, guests, and members alike with a warm smile and an encouraging welcome make DBSA-Boston the robust, caring, and appealing organization that we are. A place where everyone strives to create a safe space, both emotionally and physically.

Most of all I want to thank YOU! Yes YOU! You know who you are... You are the members or guests who smile at me each Wednesday night, you are the folks who put the .50cents/$1.00 in our coffee fund (even when you do not buy a cup of coffee, so others who don't have it that day can). You are the members who volunteer to come early and set up the room for special events and activities and to stay late to break down and clean up. YOU are the ones who Walk on the DBSA-Boston Walk Team and ask your friends and neighbors to pledge dollars. YOU are the DBSA-Boston members/guests who buy our special new T-shirt to wear at the NAMI Walk, because you want to show DBSA-Boston Pride, being part of our Team even though it is an expense (especially if you have two or three children walking with you that day!). Without YOU, there is no DBSA-Boston. It is YOU that I am so happy to see every Wednesday night. It is YOU who laugh at my really silly and sometimes terrible jokes during announcements (thank you for being so kind). It is YOU that I work so hard for, and do what needs to be done. And let me share a secret with you, YOU are worth it!

So, while my two years is about to end as President, I have been part of the DBSA-Boston family for close to 25 years and look forward to the next 25 years. When I am with YOU, I think I’m at my best. And I am grateful that YOU have entrusted me with various leadership roles since I was elected to the Board of Directors in or around 1995. Thank YOU so much for the honor and privilege of serving as your President!

And kindly remember, if you are at a DBSA-Boston meeting, you are nowhere else. And in my book, there is no finer place to be!

Sincerely and with the Deepest Gratitude,

Chuck

DBSA-Boston Membership Agreement

DBSA-Boston brings us together to offer each other what we have learned about living with affective disorders. In these circles of trust, we share our feelings, our experiences, and our coping strategies. We do not give advice, particularly about medication. Our support groups are not therapy groups. Our facilitators are not therapists, but DBSA-Boston members trained in peer-group facilitation.

To make everyone feel safe and welcome, our groups are governed by certain guidelines. In particular, we recognize that everything shared within groups (and much revealed one-to-one) must be kept confidential for people to feel safe enough to participate. We also use “I” statements and speak from our own experience; and when differences arise, we refrain from judging one another and instead seek understanding.

DBSA-Boston members in good standing are entitled to the following privileges:

- A safe and empathetic environment to aid in their personal growth
- Receipt of our quarterly newsletter via email
- Participation in our Share Care groups, daytime drop-in and monthly lectures
- Group functions including the summer picnic and holiday party
- Opportunities to “give back” to others by serving as a group facilitator, running for the Board of Directors or working on committees
- The right to vote in DBSA-Boston elections

(CONTINUED ON OTHER SIDE)
DBSA-Boston Membership Agreement, continued

DBSA-Boston has established clear guidelines for the security and well-being of all members participating in our organization. Because disruptive behavior is often a symptom of bipolar and depressive illnesses, it must be accommodated to some degree. Beyond a certain point, however, it cannot be tolerated as it jeopardizes the work or even the existence of a group dedicated to helping people transform their lives. We list here some examples of behavior that, if it persists, can lead to a review of an individual’s group participation privileges, and possibly to that individual’s removal from the organization by the Board of Directors.

1. Discrimination against any individual or group based on age, gender, race, creed, nation of origin, ethnicity, sexual orientation, disability, religion or any other characteristic protected by the laws of the United States
2. Physical or verbal aggression
3. Suggestive remarks or other forms of sexual harassment
4. Violating confidentiality of support group meetings or individual members
5. Disrupting groups by coming in late habitually, wandering in and out, or refusing to cooperate with a group facilitator in following established DBSA-Boston guidelines
6. Abuse of the telephone or email lists by making calls at inappropriate times or by refusing to stop contacting those who have asked not to be contacted
7. The use of cell phones during groups, including texting, Web access and photos
8. Harassing or stalking individuals who have asked not to be contacted
9. Inappropriate or illegal behavior in contexts where members are viewed as representatives of DBSA-Boston, such as at McLean Hospital, local restaurants or other public places
10. Bringing pets other than service animals to group meetings
11. Attending DBSA-Boston meetings or functions while under the influence of alcohol or other recreational drugs
12. Repeatedly violating the smoking policies of a facility where an DBSA-Boston group is meeting

Your cooperation and commitment are what keep DBSA-Boston alive and well. Thank you!
