Patient and Family Education Day
Dauten Family Center for Bipolar Treatment

The Massachusetts General Hospital Department of Psychiatry invites you to attend The online Dauten Family Center for Bipolar Treatment Innovation patient and family education program.

This exciting event will provide an opportunity for individuals, their family, friends, treaters and others to learn about bipolar treatment and innovation and become actively involved in the treatment of someone they care about. This event offers important clinical expertise from academic clinicians and shares a patient centered vision of bipolar treatment. This is an online event and you may login at your leisure.
