The Massachusetts General Hospital Department of Psychiatry invites you to attend a patient and family schizophrenia education day, *Early Lessons from COVID-19.*

The Massachusetts General Hospital Department of Psychiatry invites you to login to the fall symposium Schizophrenia Education Day.

This exciting event will offer an update on findings and important clinical topics for patients with schizophrenia and their families. In the morning, participants will learn about "Serious Mental Illness During a Pandemic" and more. The afternoon will feature a talk on the "Patient and Clinician Experiences During COVID-19".

This program is made possible by an anonymous donor who has given generously to support this program.

**Presented by:**

- Massachusetts General Hospital Department of Psychiatry
- The Freedom Trail Clinic
- The Massachusetts General Hospital Psychiatry Academy
